California Invites Winning Crews to Compete on Coast

The winner of the Vale-Harvard boat race and the successful crew in the Poughkeepsie regatta have been invited to compete in championship event on the Coast in July. But it appears very doubtful at this time if the invitation can be accepted. To send the winners to the Coast would be an act of appreciation on the part of the Eastern college. For four years California has sent a crew to the Poughkeepsie regatta, and announcement was made vesterday that Leland Standford will be here this year. It is a general feeling among oarsmen in the East that at least one of the winning crews should be sent West. There would be some excuse for not sending the winner at Poughkeepsie, if only for financial reasons, but either Harvard or Yale could provide funds enough to finance the trip to the West. Hope of sending the crews has not yet been abandoned. It is believed by many that the officials of the exposition may be induced to subscribe part of the expenses of sending at least one Eastern college crew to California

Silent Howard, the Local Middle-weight, Is to Be Given Real Test in Bout Against Bratton.

OTHER MATCHES GOOD

By JOHN A. DUGAN.

Everything is in readiness for the triple all-star card at the Maryland Athletic and Social Club tomorrow night. In the main bout "Silent" Howard, the promising local middle-weight, is slated to meet Eddie Bratton, the speed merchant from Philadelphia. Both boys have completed their training and are ready for

the sounding of the gong.

Bratton has had long experience in the ring and his ability against the local O'Hagan, 107: Joe Morris, 108: Uncle Hart, 109: San Vega, 116: Bob Hensley, 111: Deposit, 111: Chartier, 112: The Norman, 114; Korfhage, 115. SECOND RACE—Selling: 2-year-olds: four and a middle-weight will be watched with in terest. This fight is the first real test the local middle-weight has had and should he come out on the winning end it will mean a big jump up the ladder for him. Bratton has gained decisions over some of the best middle-weights in the ring today and has been slightly shaded in six and ten-round bouts by no other noted battlers of the roped arena than Mike Gibbons, Jimmy Clabby, and 'Knockout' Brennen.

Howard is confident of landing the this bout, and is ready and primed for the occasion. He tipped the at 153 pounds and looks to be in the best condition of his short career here. Howard has been fighting close unto two years, but has never been pitted against a contender for the title.

What should prove to be one of the SIXTH RACE-Pums: 3-vear-olds and upward; one mile. Water Witch, 90; Goldcrest Boy, 92; Little String, 55; Col. Tom Green, 95; Hanworth, 36; Double Eagle, 95; Hawthorn, 112.

These boys have met in two bouts before, one going fifteen rouns to a draw and the second a ten-round contest in which the local boy was given the news-paper verdict. This bout is scheduled o go twenty rounds and will be a slamb bang affair from the sound of the gong. In the opening bout of this triple ali star card, Kid Greek, the local featherweight title holder, will be pitted against Jack Kelly, of Baltimore. Kelly is a former Brooklyn boy and has met so of the best boys from around Manhattan. Greek will be compelled to hustle to gair a verdict over the fast Monumental boxers and the local fistic fans are ooking with interest toward this set-to. In the article of agreements signed by these fighters, they are compelled to

Sporting Editor of The Washington Herald:

Dear Sir: Danny O'Brien, or your city, who as micessfully landled the Washington team in the great Mail Marathon race here last Saturday, informs me that Tommy Lowe easily defeated Lang at the Ardmore Club on last Monday night, and is of the imprecion that he can do the same to any light-weight the club can secure.

I would call your attention to the fact that I have two light-weights that Mr. Lowe has not been able to do anything with up to the present time. These boys are Frankie Nelson and Andy Cortez, both well known to the fight fans of Washington. Lowe has not both these boys, and was very lucky in securing the decisions he got, and I would call your attention to the fact that the newspapers did not agree with the referce in any of these decisions. At Altoona only a month ago Nelson received the decision over Lowe, and although the distance was short, it is well known that Nelson

champion. I am ready to have either of these lasttlers fight Lowe at any time at any weight from 13 up, and the sconer the better.

I have offered the services of Johnny Howard, the middle-weight who twice fought Jack Dillon, light-heavy-weight; has a draw and a newspaper decision over Mike Gibbons, Jack (Twin) Sullivan, Billy Maxwell, and K. O. Billy Grupp, five rounds; Jack Driscell, one round; Tommy Connors, of Seranton, six rounds; Harry Truesdale, three rounds; Sailor Grandy, six rounds; Lacky Williams, heavy-weight, five rounds, These men are at the cervice of the Ardmore Club, and Howard will fight Brennan, Baker, McCarron, Borgell, or any one.
